

SPIDER TRAP

DIRECTIONS FOR USE:

- 1.** Place traps where spiders are normally found:
 - Against a wall or baseboard
 - Under toe kicks
 - Around doorways
 - Behind toilets
 - Behind or under furniture
 - Inside basements or crawl spaces
- 2.** When bottom side of trap is full, or after 3-4 months, simply flip over to use again.
- 3.** When both sides are full, place in recycling or household trash.
- 4.** Keep unused traps sealed from dust until ready to place.
