

## ***YELLOWJACKET ATTRACTANT CARTRIDGE***

### ***DIRECTIONS FOR USE:***

- 1.** Remove bottom cap of RESCUE!® Reusable Yellowjacket Trap.
- 2.** Cut and remove wrapper surrounding attractant cartridge.
- 3.** Insert cartridge, vented side up, into center receptacle of bottom cap.
- 4.** Reassemble and hang trap outdoors away from human activity, and at least 20 feet away from a known yellowjacket nest.
- 5.** Wash hands with soap and water.

**CAUTION:** Due to the extreme effectiveness of the attractant, use caution when placing and maintaining traps. Place and maintain traps in late evening or early morning when yellowjackets are less active. People allergic to yellowjacket stings should allow others to place and maintain traps for them. Yellowjacket stings can be fatal.
